

# School Council

School Council meet every Monday morning with James. They are elected by their peers to represent their class. They make decisions, ask questions and always have brilliant ideas.

This term we chose the Makaton choir song which was 'Love my Life' by Robbie Williams. We have also been helping to plan lots of different charity events for the school to support.

School Council helped to organise 'Mad Hair Day' for St Michael's Hospice. The school raised an incredible £255.00!

School Council also asked us to support Red Nose Day. They decided to ask the pupils to dress up in non-uniform and ask for a donation. Lots of the pupils showed off their outfits in assembly. The parents and carers were very generous again and raised over £246.00!
