

As the newly appointed Chair of Friends of Limington House, I, Casca Orsaria am honoured to be involved with this incredible charity. Our aim is to provide the school with additional funds for much needed equipment and further opportunities for the children. My daughter, Mia (Orange class) attends Limington House so I know how important it is to support the school and pupils.

I would like to personally thank every member of Friends of Limington House committee for their excellent work and commitment over the last year. Your continuous time and effort is greatly appreciated. I look forward to what we can achieve next year! Extended thanks to Justin and the LMT at school who provide us with support on fundraising ideas and are present at our onsite events.

During the last few months, we have received donations from our Governor Helen, who raised a fantastic £115 with the help of her daughter by holding a car boot sale. Thank you both!

A local business, SoPhysical Physiotherapy has also generously donated throughout the year with enough fundraising to give every child a Christmas and Easter gift, providing the smarties tubes both in October and May half terms and they also held internal fundraising within their team and very kindly donated that too! A big thank you to you all.

FOLH continue to build positive relationships with other local businesses and communities. We are very grateful for donations so far. Thank you to Sainsburys Tadley, Tesco Chineham, Asda Brighton Hill and Mayfair Homecare.

Bryan, a parent from our school self-funded a motorcycle trip to the Czech Republic recently to help raise money for our charity. He had an amazing time and wants to do it again! Bryan raised an incredible £255. Thank you Bryan, we are so grateful.

Our new main focus is to concentrate on raising funds for a new Sensory Garden and Swing. This is something we know will benefit the children hugely. As you can imagine this will be costly, so we are actively continuing to seek grants and are in the process of completing the setup of a Just Giving Page. Details to follow when ready!

I would like to wish everyone a lovely summer break and look forward to seeing you all in the next academic year.
